Project title: Corporate Employee Education of Euro-Center Prague, s.r.o.

Project CZ.03.1.52 / 0.0 / 0.0 / 19_097 / 0013735 – Corporate Employee Education of Euro-Center Prague, s.r.o. is co-financed by the European Union.

As part of the Corporate Employee Education Project, employees will take part in trainings to further their knowledge, skills and competencies. The project aims to eliminate the discrepancy between the qualification level of the workforce and the requirements of the labour market.

The aim of the project is to increase the employees' professional level of knowledge, skills, competencies and the compliance of the qualification level of the workforce with the requirements of the labour market.

The result of the project is the qualification improvement in general IT and managerial skills for 95 employees of the company, of which four participants are over 54 years old.
