Drawing on our close relationship with our European shareholder groups, Munich RE and ERGO, we ensure that each Euro-Center operates in a stable environment and meets all relevant European regulations and legal compliance requirements on data protection, audit control and transparency.

All in one solution.

Our customer centric, tailor-made solution enables our clients to select one or as many services they require to suit their needs. They do not need to select the entire services suite. They can also partner with only one entity, whilst still receiving global services from all the Euro-Centers on emergency medical assistance, all aspects of claims settlement, extensive cost containment, quality assurance and advanced reporting tools.

One contract with Euro-Center is all you need to provide top quality services around the world – locally. No additional TPAs needed.

Our clients.

Travel and expatriate (IPMI) insurance companies

Travel assistance and advice.
Multiple language platforms.
Claims handling and cost containment.
Outsourcing solutions of customer service and claims handling.
Country reports.
Associated services: psychological support and security solutions.

Euro-Center has serviced its expatriate and travel insurance shareholder companies since 1971. Many companies in the Munich Re group, as well as multiple insurance companies from all over the world, have since benefited from our services. Our insurance clients list global players, as well as smaller companies. Dependent on their specific requirements, we provide emergency assistance via our 24/7 assistance hubs and chosen language platforms, travel assistance, claims handling, specialised expatriate services and associated services.

Assistance companies

Local advice and know-how.
Navigation to the best providers for quality and cost.
Case management support.
Local language skills.
Air Ambulance quotations.
Real time access to an interface of EC's case handling system.

Assistance companies with their own 24/7 call centers enjoy direct access to our 11 Euro-Centers covering all regions around the globe and provide specialised know-how and local knowledge. Instead of working with multiple TPAs around the globe, they benefit from one seamless solution covering assistance and network in all countries and territories. Our assistance clients include global top five companies, as well as smaller boutique operations.

All types of corporations

Emergency assistance solutions.
Provider network app solution.
Provision of medical emergency response plans (MERPs).
Associated services: topside support and security solutions.
Expatriate & local employee support and advice.
Occupational health services.

Companies who are self-insured or partly self-insured are provided full 24/7 medical assistance, local network access, cashless services, advice, and evacuation solutions. Various security services, remote onsite medical personnel solutions, and occupational health services may be chosen as add-ons.

We have built a network of 69,000 medical facilities. Worldwide.

Euro-Center holds one of the best provider networks worldwide, covering all countries and territories in the world.

It is built on the skills and local know-how of local and international network management specialists. The network is flexible, dynamic and geared at servicing a diverse customer group with varying requirements.

Extensive worldwide provider network

Euro-Center's 12 regional offices and 24/7 medical assistance hubs cover all countries and territories worldwide

Global network built on local knowledge and experience. Multi-lingual local and international staff resulting in unique local solutions.

Network in numbers

Euro-Center uses an advanced custom-made database listing all providers

69,059 selected worldwide providers.
5,144 preferred providers.
34,133 cashless service providers.
Case volume in 2024: 165,150.
80% of all payments went to approx. 1,500 partners and preferred providers.
In addition to medical providers, the network includes hotels, transport companies, local assistance services, tour operators, non-medical evacuation options, security companies etc.

Identification of the right provider

To ensure quality control, all medical providers are classified according to strict medical criteria, resulting in seamless cooperation, effective case management and customer satisfaction.

Euro-Center is not affiliated with any medical providers and is therefore objective when choosing appropriate providers, based on quality and cost considerations. This particularly applies to the selection of air ambulance (AA) and other transport providers, as well as the appropriate destinations.

Tailor-made networks

Tailor-made networks for companies in remote areas worldwide according to customer's specifications.
Tailor-made direct billing agreements with customer chosen specific providers.
Evacuation reports, specialised site visits and related services.

Cashless service worldwide

Our customers benefit from an extensive network of cashless service providers. Covered persons need not worry about cash payments – Euro-Center takes care of it.

Up front or ad hoc instant placement of guarantee of payment/verification of benefits at the providers in question. Direct billing agreements and "flash the card" options for covered persons.

A dynamic network in constant development

Site inspections are continuously undertaken, resulting in unparalleled insights and relationships. This includes also meetings with non-medical providers, such as drivers, embassies and local authorities; proving valuable in smooth case handling.

Ongoing desk and ad hoc case research by network development teams.
Questionnaires routinely sent to providers and quality checked.
Live updates in the EC case system allowing ECs global case coordinators 24/7 access to the latest local knowledge on providers.

Limited use of TPAs

Euro-Center endeavors not to use 3rd party TPAs unless in specific, limited circumstances.

Cost containment

Excellent cost containment outcomes achieved through the following tools:

Documented cost containment achievements.
Volume rebates.
Negotiated contractual agreements.
Local Euro-Centers get local tariffs.
Claims and medical audits.
Prompt payment discounts.
Utilisation of bilateral health care agreements between countries.
Steerage of covered persons to preferred providers.
Local case management.

Year 2024 in numbers:

Number of Paid Invoices 189,862	Savings % 17% worldwide; 33% in the US	Number of Paid Providers
Total Payments EUR 165,676,409 USD 20,952,204	Total Savings EUR 34,839,963 USD 10,484,204	11,556

24/7 Assistance.

In unpredicted situations the access to instant advice and help from experts is vital. Euro-Center has three 24/7 assistance hubs worldwide with expert teams ready to assist people calling us.

Euro-Center's multilingual assistance experts are available 24/7. With broad international experience and backed up by our in-house teams of doctors and nurses, our assistance experts can help in a variety of situations where instant help is needed:
